

THE EXECUTIVE SHIELD

A Strategic Framework for Executive & Family Security

2X

PHYSICAL ATTACKS AND TARGETING INCIDENTS AGAINST SENIOR EXECUTIVES AND PUBLIC FIGURES HAVE REPORTEDLY DOUBLED IN THE PAST YEAR.

Targeting has extended beyond the C-suite to elected officials, religious, educational, and law-enforcement leaders alike.

WHO WE ARE & WHAT WE DO

SOTERIENT is the discreet, trusted advisor for public and private organizations seeking confidential guidance on senior executive and family security, delivering C-suite security awareness, risk mitigation advising, and crisis leadership education in complex, high-risk environments.

Why choose us: advisors with decades of senior law enforcement and military leadership experience — including protection of leading US government officials, heads of state, and Fortune-level executives and their families.

THE MODERN RISK ENVIRONMENT

PERSONALIZED

Targeted harassment, doxing, stalking, surveillance

DIGITALLY ENABLED

Exploitation of social media & public data

IDEOLOGICALLY MOTIVATED

Polarization & grievance narratives

RAPIDLY ESCALATING

Online threats move to real-world confrontation

FIVE FOUNDATIONAL PRINCIPLES

1

**Information-Driven
Security Planning**

2

**Layered Protection
Work-Home-Travel**

3

**Preparedness
Knowledge is Key**

4

**Family Member
Inclusion**

5

**Discretion &
Proportionality**

PROTECTION AT HOME & ON THE MOVE

HOME & FAMILY SECURITY

- Residential security assessments & recommendations
- Family Response Plan (FRP)—development & exercising
- Cybersecurity enhancements & digital risk reduction

TRAVEL & EVENT SECURITY

- Pre-travel briefings & destination threat assessments
- Event security planning & emergency operations
- Emergency evacuations

KNOWLEDGE & TRAINING = PREPAREDNESS

LEADERSHIP & CRISIS EDUCATION

- Understanding you and your family's risk profile
- Situational & behavioral awareness
- Crisis management & digital hygiene

TRAINING FOR STAFF AND FAMILY

- Crisis & active threat response training
- Tabletop Exercises (TTX) & Full-Scale Exercises (FSE)
- Specialized defensive tactics training

Because their safety is personal.

Every engagement is built around the people who matter most—your executives, senior leaders, and trusted staff—and tailored to the specific risks facing you and your family at home, at work, and on the move.

Let your staff know just how much their safety means to you
